URBANNEST WORKSPACE

Business Knowledge Base & Customer Support Reference

Document purpose: This fictional five-page knowledge base is designed for testing document ingestion, chunking, retrieval, grounded answers, FAQ generation, and customer-support chatbot behavior. All names, addresses, prices, and policies are synthetic.

1. Company Overview

UrbanNest Workspace operates flexible coworking spaces for freelancers, remote employees, small teams, and early-stage companies. Its main location is the Indiranagar Centre in Bengaluru. The centre combines shared desks, private offices, meeting rooms, phone booths, event space, and a small refreshment counter.

The company's service promise is to provide a reliable, professional place to work without requiring customers to sign a long commercial lease. Members can choose a day pass, a monthly shared-desk plan, a dedicated desk, or a private office. Meeting rooms can also be booked by non-members when capacity allows.

Contact and location

Field	Details
Business name	UrbanNest Workspace
Primary centre	2nd Floor, 48 12th Main Road, Indiranagar, Bengaluru, Karnataka 560038 (fictional address)
Reception hours	Monday–Friday: 8:00 AM–8:00 PM; Saturday: 9:00 AM–5:00 PM; Sunday: closed
Member building access	6:00 AM–11:00 PM daily for active monthly members; day-pass access follows reception hours
Email	hello@urbannest.example
Phone	+91 80 4000 2180 (fictional)
Support response target	Within one business day; urgent access issues are prioritized during staffed hours

Who the workspace is for

- **Independent professionals:** people who need dependable Wi-Fi, a desk, and a focused environment.
- **Small teams:** groups that need a shared base, meeting rooms, or a private office without a long lease.
- **Distributed companies:** employers who need occasional in-person collaboration space for Bengaluru-based staff.
- **Visitors:** non-members who need a desk for one day or a meeting room for a scheduled session.

Facilities at a glance

The centre has 84 shared-work seats, 18 dedicated desks, 6 private offices, 4 meeting rooms, 3 phone booths, one 30-person event room, a kitchenette, filtered drinking water, lockers, printer access, and accessible washrooms. There is no on-site gym, sleeping room, or public shower.

UrbanNest is not a registered postal address provider under the standard membership plans. Mail handling is available only as an add-on for private-office customers after identity and business verification.

2. Membership Plans, Pricing & Payments

All prices below are illustrative test data in Indian rupees (INR). Prices are before applicable taxes. The monthly plans renew automatically unless the member cancels before the next billing date.

Plan	Price	Included access	Best for
Day Pass	₹599 / day	One hot desk, reception-hour access, Wi-Fi, tea/coffee, printing up to 5 pages	Occasional visitors
Flex 5	₹2,499 / month	5 day credits per calendar month; credits expire at month-end	Part-time users
Flex Unlimited	₹6,499 / month	Hot-desk access every day the centre is open; 6 AM–11 PM	Regular individual users
Dedicated Desk	₹9,499 / month	Reserved desk, lockable pedestal, 24/7 locker access during building access hours	Daily users needing a consistent setup
Private Office - 2 seats	₹24,000 / month	Enclosed office for up to 2 people; 10 meeting-room hours per month	Small teams
Private Office - 4 seats	₹42,000 / month	Enclosed office for up to 4 people; 18 meeting-room hours per month	Growing teams

Plan rules and important distinctions

- Flex 5 includes five separate day credits, not five hours. A credit is consumed when a member checks in for a day.
- Unused Flex 5 credits do not roll over, cannot be transferred, and have no cash value.
- Flex Unlimited does not guarantee a particular desk. Seats are first-come, first-served and cannot be reserved.
- A dedicated desk is assigned to one named member. Guests must check in at reception and cannot use the desk independently.
- Private-office meeting-room hours are monthly credits. Unused hours expire at the end of the billing cycle.
- Day Pass users cannot enter before reception opens or remain after reception closes, even if another member is still working.

Payments, invoices and deposits

Accepted payment methods are UPI, major debit cards, major credit cards, and bank transfer for annual or private-office contracts. Cash is not accepted at reception. Monthly plans are charged on the signup date. For example, a plan activated on the 12th renews on the 12th of each following month.

Private offices require a refundable security deposit equal to one month of the base office fee. The deposit is returned within 15 business days after checkout, subject to deduction for unpaid invoices, missing access cards, or damage beyond normal wear. The deposit does not earn interest.

Invoices are emailed to the billing contact within two business days after successful payment. Members who need a GST invoice must provide a valid GSTIN and legal billing name before the invoice is generated. UrbanNest cannot retroactively change a finalized invoice after the accounting month closes.

Discounts and upgrades

Students receive 10% off the first three months of Flex 5 or Flex Unlimited after presenting a valid student ID. The discount cannot be combined with referral credits. A member may upgrade immediately; the system calculates a prorated charge for the remaining days. Downgrades take effect on the next renewal date.

There is no permanent discount for paying monthly plans in cash because cash payments are not supported. Annual private-office pricing is negotiated separately and must be confirmed in a written proposal.

3. Bookings, Rooms & Day-to-Day Operations

Meeting-room inventory

Room	Capacity	Standard rate	Equipment
Focus 1	4 people	■500 / hour	Display, HDMI, whiteboard
Focus 2	6 people	■750 / hour	Display, HDMI, whiteboard, video-call camera
Collab	10 people	■1,200 / hour	Large display, conference speaker, whiteboard
Boardroom	14 people	■1,800 / hour	Large display, video bar, conference speaker

Meeting rooms can be booked in 30-minute increments, with a one-hour minimum. Bookings are confirmed only after payment or an approved member-credit deduction. A room booking includes a 10-minute setup window, which is part of the booked time. Customers should leave the room promptly so the next booking can begin.

How to book

- Members book through the UrbanNest member portal or by asking reception during staffed hours.
- Non-members may request a booking by emailing hello@urbannest.example with the date, start time, duration, attendee count, and equipment needs.
- Reception replies with availability and a payment link. A request is not a confirmed reservation until payment is recorded and a confirmation email is sent.
- Recurring weekly bookings are available only for private-office customers and are reviewed every month.

Cancellation and rescheduling

A meeting-room booking cancelled at least 24 hours before its start time receives a full refund or credit reversal. A cancellation made between 6 and 24 hours before the booking receives a 50% refund. Cancellations made less than 6 hours before the start time are non-refundable. One reschedule is permitted without a fee if requested at least 12 hours in advance and if the replacement slot is available.

If UrbanNest cancels a booking because of a building issue or equipment failure, the customer may choose a full refund or a replacement slot. The centre does not reimburse travel expenses or other indirect costs.

Access, visitors and conduct

Members must check in using their registered mobile number or access card. Sharing access cards, tailgating, or allowing an unregistered person to enter using a member’s credentials is prohibited. Visitors must be registered at reception, show a valid photo ID, and be accompanied by their host. A host may bring up to two visitors at a time for a maximum of two hours, subject to capacity.

Calls longer than five minutes should be taken in a phone booth or meeting room. Keep speaker volume low in shared areas. Food with a strong smell should be eaten in the kitchenette, not at shared desks. Members must not photograph another person’s screen or record conversations without consent.

Internet, printing and equipment

The centre provides a primary 300 Mbps business broadband connection and a backup 100 Mbps connection. Wi-Fi credentials are issued after check-in and must not be shared outside the member’s registered team. The advertised speeds are total connection capacity, not a guaranteed speed per device.

Standard black-and-white printing costs ■2 per page after any plan allowance; colour printing costs ■10 per page. Scanning to email is free. UrbanNest does not provide large-format printing, binding, or personal technical support for customer-owned devices.

4. Policies, Safety, Accessibility & Support

Refunds and membership cancellation

Day Pass purchases are refundable only if cancelled at least 12 hours before the selected access date. Once a day-pass user has checked in, the pass is non-refundable. Monthly memberships can be cancelled from the member portal or by written email. Cancellation stops the next renewal; it does not automatically refund the current billing period. Access remains active until the end of the paid period.

If a member is charged twice for the same invoice, UrbanNest verifies the payment references and refunds the duplicate charge within 7–10 business days. Bank processing times may add additional days. A refund is returned to the original payment method wherever possible.

Security and personal belongings

Members are responsible for laptops, phones, wallets, and other personal items. Lockers are provided for temporary storage, but members should use their own padlock where a locker has a hasp. UrbanNest is not responsible for unattended belongings. Lost property is held at reception for 30 days and then donated or disposed of.

CCTV operates at entrances, corridors, and common areas for safety. Cameras are not installed inside washrooms, phone booths, or private offices. CCTV footage is accessible only to authorized management and may be shared with law enforcement when legally required.

Health, safety and emergency procedures

- Keep fire exits and corridors clear. Do not block fire extinguishers, electrical panels, or stairwell doors.
- The assembly point is the open parking area beside the east entrance. Follow staff instructions during an evacuation.
- A first-aid kit is kept at reception. Staff can call emergency services, but they are not medical professionals.
- Smoking and vaping are prohibited inside the building and within 10 metres of the main entrance.
- Personal heaters, high-wattage cooking appliances, and unauthorized extension boards are not permitted.
- Report spills, exposed wiring, damaged furniture, or suspicious activity to reception immediately.

Accessibility and service animals

The building has a lift, step-free access from the street entrance, and an accessible washroom on the second floor. Customers who need an adjustable desk or a specific seating arrangement should email the centre at least one business day before arrival. Trained service animals are permitted. Other pets are not permitted inside the workspace.

Support channels and escalation

Issue	First contact	Target response
Entry card or access failure	Reception: +91 80 4000 2180	Within 15 minutes during staffed hours
Billing or invoice question	billing@urbannest.example	Within 2 business days
Room booking or event request	hello@urbannest.example	Within 1 business day
Privacy or data request	privacy@urbannest.example	Acknowledge within 3 business days
General complaint	hello@urbannest.example; subject: Service complaint	Acknowledge within 1 business day

If an issue remains unresolved after the first response, the customer may request escalation to the Centre Manager. The Centre Manager reviews the case and aims to provide a written outcome within three business days. Emergencies should be reported to on-site staff or local emergency services, not sent by email.

5. Events, Privacy, FAQs & Retrieval Test Scenarios

Events and community programmes

UrbanNest hosts skill-sharing sessions, founder meetups, portfolio reviews, and small workshops. The event room holds up to 30 seated attendees or 40 standing attendees, subject to the event layout and fire-safety limit. External organizers must submit an event request at least 10 calendar days in advance. The request should include the topic, expected attendance, schedule, equipment, food requirements, and organizer contact details.

The standard event-room rate is ■8,000 for a four-hour weekday block and ■11,000 for a four-hour Saturday block. Additional hours cost ■1,500 per hour. These rates exclude catering, external speakers, security staff, and applicable taxes. A refundable cleaning deposit of ■3,000 is required for events with food or more than 20 attendees.

Events must finish by 8:30 PM on weekdays and 4:30 PM on Saturdays. Amplified music is not permitted. Organizers are responsible for attendee registration and must ensure that guests do not enter private offices or member-only areas.

Privacy and data handling

UrbanNest collects the information needed to manage memberships, access, billing, bookings, and customer support. This may include name, email, phone number, company name, GSTIN when supplied, payment references, access logs, and support messages. Payment card details are processed by the payment provider; UrbanNest does not store full card numbers or CVV values.

Access logs are retained for 180 days. Billing records are retained for the period required by applicable law. Support tickets are normally retained for 24 months after closure. Customers may request correction or deletion of eligible personal information by emailing privacy@urbannest.example. Some records may need to be retained for legal, tax, security, or dispute-resolution reasons.

UrbanNest does not sell member contact details. Member directory visibility is opt-in. A member who has not opted in will not appear in the public community directory.

Frequently asked questions

Q: Can I reserve a hot desk in advance?
A: No. Hot desks are first-come, first-served. Dedicated desks are assigned to named members.

Q: Can I use a Day Pass on Sunday?
A: No. The centre is closed to customers on Sundays.

Q: Does Flex 5 roll unused credits into the next month?
A: No. Credits expire at the end of the calendar month.

Q: Can a non-member book a meeting room?
A: Yes, subject to availability and advance payment.

Q: Is the meeting-room setup time free?
A: No. The 10-minute setup window is included within the booked duration.

Q: Can I get a refund if I cancel a monthly plan halfway through the month?
A: Normally no. Cancellation prevents the next renewal, while current access continues through the paid period.

Q: Is there a gym or shower?
A: No. The centre has no gym, sleeping room, or public shower.

Q: Can I receive business mail at the centre?
A: Only private-office customers may request mail handling as a paid add-on after verification.

Q: What if the centre's internet is down?
A: Report it to reception. Staff will check the primary and backup connections and share an update. A specific restoration time cannot be guaranteed.

Q: How many guests can I bring?
A: A member may bring up to two registered visitors at once, for up to two hours, subject to capacity.

Suggested questions for chatbot evaluation

Use these prompts to check whether a chatbot can retrieve exact details, combine information from different sections, and avoid inventing unsupported policies:

- What is the monthly price of Flex Unlimited, and does it guarantee a reserved desk?
- A customer wants a six-person meeting room for 90 minutes. Which room fits, what is the hourly rate, and what is the minimum booking duration?
- If a meeting is cancelled 10 hours before it starts, what refund applies?
- Can a Day Pass customer enter at 7:00 AM on a weekday?

- How many visitors can a member bring, and how long may they stay?
- What is the security deposit for a two-seat private office, and when is it returned?
- Can Flex 5 credits be carried into the next month?
- Which email should a customer use for a privacy request?
- Does UrbanNest offer a gym, shower, or public sleeping room?
- A customer needs a GST invoice. What information must they provide and when?

Grounding rule for this test corpus: If a question asks for a policy, facility, price, or service that is not stated in this document, the chatbot should say that the information is not specified and direct the customer to hello@urbannest.example. It should not invent an answer.
